

INTERNATIONAL MARKET SQUARE

A DRAMATIC FIVE-STORY GLASS ATRIUM

International Market Square (IMS) is a spacious, glass-roofed building located on the edge of downtown Minneapolis. Built between 1905 and 1915 and listed on the National Register of Historic Places, IMS is Minnesota’s largest renovated structure. With two distinctive spaces, it’s perfect for any type of event. The stunning atrium has a peaked glass roof rising 72 feet above the sun-washed space and can be configured to accommodate groups of all sizes. A former factory that is now the chic setting for numerous interior design showrooms, offices and residential lofts, IMS is an aesthetic gem.
